“WHERE JUDAISM COMES ALIVE”

MISSION STATEMENT

Our Purpose

We are a welcoming, family-oriented conservative synagogue that celebrates Judaism and Jewish Life through Ritual, Learning and Tradition, with a commitment to enriching ourselves and our community.

Our Guiding Values

- We are a caring, comforting and inclusive shul that embraces our members' distinct needs and serves as our inspirational Jewish home.
- We are an egalitarian “House of Worship”, providing a connection to G-d through spiritual and ritual services and prayer, consistent with the values and beliefs of Torah and Halacha based Judaism.
- We are a “House of Study”, with multi-faceted programs dedicated to educating our children and for the continuous learning of our community.
- We are a “House of Gathering” that encourages each member to develop a sense of belonging, thus connecting us through common interests and needs.
- We provide opportunities for “Tikun Olam”, repairing the world. Our support includes the local community, the world Jewish community, and a long tradition of commitment to the support of Israel and its people.
- We are a contemporary conservative synagogue that integrates Jewish practice into modern life.
- We are a diverse community that is committed to build and retain membership, and to encourage a spirit of volunteerism, responsibility, activism and philanthropy.
- We plan for the future to ensure ongoing success of our programs and services and continuity of our principles and values.
